Week 1: June 16-19th

♥ Summer Road Trip Rally ♥

You don't have to leave Frankfort for campers to explore the wonders from coast-to-coast by learning about various foods, facts, and traditions that make the USA spectacular!

Week 2: June 23-26th

🎵 Music to One's Ears 🎵

Music & STEAM, absolutely! Learning rhythms and music helps with number literacy & fractions. Children will make a new instrument each day from repurposed items and play, dance and sing!

*Special guest instructor - Maureen Kelly - Music teacher

Week 3: July 7-10th

🐵 Animal Adventure 🐵

Animal enthusiasts will enjoy fun crafts and games focused on animals found in our backyards, farms, jungles, oceans and end with an animal safari. Campers will learn about biology, habitats and conservation.

Week 4: July 14-17th

🧪 STEM 🧪

Our little scientists will be fully engaged with hands-on STEM projects. The goal is to help reinforce important life skills and to potentially spark a lifetime interest in the science field.

* Special guest instructor - Randi McManus - CPS, Science and Math teacher

Week 5: July 21-24th

🎨 Art Exploration 🎨

Campers will explore the world of art and its many forms. We hope that they discover that art can be found everywhere, and expressed using different techniques.

*Special guest instructor - Lisa Podlesak - Frankfort Arts Association
